Enclosure No. 2

SUBJECT.

Forwards an application from Mr. A. Mrityunjaya Iyer, Assistant Commissioner, for the grant of an allowance for the charge of the Provincial Grain Depot.

Letter No. D.2 Dis 955/Rev.18-19 dated 8th January 1919 from the Deputy Commissioner, Mysore District, to the Revenue Commissioner in Mysore.

In forwarding herewith in original, an application dated 2nd January 1919 from Mr. A. Mrityunjaya Iyer, Personal Assistan to the Deputy Commissioner, Mysore, I have the honour to recomme that you will be so good as to kindly move Government for a reconsideration of their order about the allowance for the extra charge of the Provincial Grain Depot held by Mr. Mrityunjaya Iyer. He has to work at the Depot both morning and afternoon and between whiles just in time at the office as my Personal Assistant. At least for the extra time spent on duty he is in equity entitled to a further honorarium.

In addition, this double duty has come in the way of his applying for and passing the Civil Examination of the Mysore Local Service Examinations, to qualify himself for promotion to the seniority grade, which he has earned a right to look forward to, by his recent promotion to the first grade of Assistant Commissioners.

He even wanted to take all the privilege leave he was entitled to, to study for the examinations and it was as much as I could do to get him postpone taking this leave till next year.

Under the circumstances, I request that my recommendation may kindly be brought to the benign notice of Government and their sanction to the allowance once more urged.

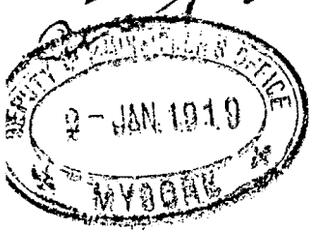
re: Pcln 1379/18-19

To

T. Chokkanna, Esq., B.A.,
Deputy Commissioner,
Mysore District.



Sir,

I have just received the Government Order sanctioning an Establishment of 2 clerks and 2 peons for the Government Grain Depot and considering it unnecessary to sanction any allowance to the Officer in charge.

At the very outset, when I was asked if I would be in charge of the Depot, I agreed to hold the charge on condition of being given an allowance of Rs.100/- a month in view of the heavy work and responsibility that would devolve on me. This allowance was promised; and I have been working without rest from 7 A.M. to 9 P.M. for the past one month and that without prejudice to my duties as Personal Assistant in the District Office. As you are yourself aware of the work and responsibility of the charge here, I need not go into it further.

I have also personally submitted to you my case with reference to the prospects of promotion to the ranks of the Senior Assistant. I have yet to pass the Civil Examination and you may remember my request to you for a word of recommendation to Government to exempt me from passing the Civil Examination, having regard to my age, service and similar exemptions granted to some officers in the past.

I have not yet submitted my formal application to the Government for such exemption. As an Assistant Commissioner of the Ist Grade with 8 years' experience as a Magistrate of the First Class I had hoped for an appointment of a Magistrate of First Class in the Special Scheme of Separation of Judicial and Executive functions. Such an appointment would have given me the same prospects as those of the Senior Assistant for the short service of 2½ years yet before me. But other appointments have been notified by the Government and all these the new Magistrates are far my juniors. Whatever may be their extra qualifications, as Law Graduates, yet they are not such as to top over my claims based on actual work and experience as a Magistrate. My further prospects therefore lie either in my passing the Civil Examination or in the Government graciously exempting me from passing the Tests at this age. To be on the safe side, I had even thought of making an attempt to get through the Civil Test in May next, but the Depot charge had deprived me of the very little leisure and energy which I had hoped to spare for study.

In these circumstances I request that you will be so good as to move Government for a reconsideration of their Order about the allowance for the extra charge of the Depot.

It will be some consolation to me if the Government will kindly recognize my work in connection with the Depot, and graciously taking into consideration my age and service, exempt me from passing the Civil Examination to earn my promotion to the rank of the Senior Assistant Commissioner and thus relieve me of the anxiety of having to pass the examination

which I could not hope to do with the heavy Depot charge entrusted to me.

I have the honor to be,

Sir,

Your most obedient servant,

A. [illegible]

Personal Assistant Commissioner.

CHIEF SECRETARIAT II POLITICAL BRANCH. 1- FEB. 1919

OFFICE OF THE FOOD CONTROLLER IN MYSORE.
Camp Harihar,
Bangalore, 30th January 1919.

Dear Sir,

With reference to your D.O. letter No. G.15493 of the 25th instant, regarding the allowance recommended by the Deputy Commissioner of the Mysore District to be given to the Officer in charge of the Provincial Depot at Mysore, I beg to state that the Depot charge constitutes a substantial addition to the work and responsibilities of the officer put in charge of it, and if these duties are properly performed an allowance of Rs.50 per mensem would be well deserved. The Deputy Commissioner of the Tumkur District has also recommended an allowance of Rs.50 to the officer in charge of the Tumkur Provincial Depot. In Shimoga also, the Assistant Commissioner, who has been put in charge of the District Depot, deserves a similar allowance.

Although the Provincial Depot at Mysore is under the control of the Food Controller, the Deputy Commissioner has addressed the Revenue Commissioner instead of the Food Controller about this allowance as contemplated by the Standing Orders.

Yours sincerely,

Executive
